

## Taggit BLE (Bluetooth Low Energy) Reader

### Applications:

- **Asset Management and Tracking**
- **People Management**
- **Stock and RTI Management**

Specifications	WiFi Model
BLE Version Support	4.0
Input Voltage	12V DC (2A)
Communications	WiFi
Indicators	Status LEDs (customizable colours)
Audible Buzzer	Internal 3.3V Buzzer
Enclosure	Grey PVC, IP65 rated, 140x100x70mm
Cooling	5V Fan
Options	12V External Siren for alerts
Buzzer Tones	Connecting to network, data successfully transmitted, data unsuccessfully transmitted
Indicator LED's	Connected to network, Tag read, WiFi Connection lost

Specifications	WiFi + SMS Notifier Model
BLE Version Support	4.0
Input Voltage	12V DC (2A)
Communications	WiFi, Quad Band GSM/GPRS Network (850/900/1800/1900MHz)
Indicators	Status LEDs (customizable colours)
Audible Buzzer	Internal 3.3V Buzzer
Enclosure	Grey PVC, IP65 rated, 140x100x70mm
Cooling	5V Fan
Options	12V External Siren for alerts
Buzzer Tones	Connecting to network, data successfully transmitted, data unsuccessfully transmitted
Indicator LED's	Connected to network, Tag read, WiFi Connection lost
